

100+ Tri-Cities Women Who Care 2019 Impact Report

Let's celebrate the success of the inaugural year of our giving circle!

229

female philanthropists donated

\$45,488

to Tri-Cities area charities!

First Big Give (February): **Isaiah 117** received \$10,225! Holston Habitat for Humanity and Door of Hope also both received \$1,000 from members. *(For subsequent events, all donations went to the single nonprofit that received the most votes.)*

Our donations helped fund the construction of Isaiah 117 House Washington County TN which provides physical and emotional support in a safe and loving home for children awaiting foster care placement.

Second Big Give (May): **Seasons of Hope** received \$11,305! Appalachia Service Project and Honor Flight of Northeast TN also presented.

The money paid for 1,600 dignity packs with feminine hygiene items for 9 area high schools, 5,000 diapers for their diaper pantry, tennis shoes for teens for Operation School Bus, 28 new mom bags distributed at the hospital, and toiletries & cleaning supplies for low-income families.

Third Big Give (August): **Levi's Legacy** received \$10,719! Appalachian Sustainable Development and Friends of Suzanne presented as well.

Our donations funded survival swim lessons for hundreds of area children, raised awareness about drowning prevention, and helped to erase the stigma associated with drowning.

Fourth Big Give (November): **H.O.P.E. (Help Our Potential Evolve)** received \$11,239! Brother's Keeper and The Oasis of Kingsport also presented.

The funds went to a program that assists 11-19 year-olds interested in the development of life skills for ongoing success. H.O.P.E. also educates and advocates for a multi-cultural understanding within the Tri-Cities area.

Thank you for being a woman who cares! Together, we make a big impact in the Tri-Cities!

Notes:

- A \$100 pass-through donation was received in late December 2019 and given to the charity in early January 2020. *(We do not encourage pass through donations to charities as we cannot process all funds this way, but accept them in extenuating circumstances.)*
- Social hour fees and expenses do not include the first two events because those funds were given directly to Cornerstone Village.
- The net income will be used to fund donations if we do not have enough members to give \$10,000 at an event.

Thank you to members who provided nametags, buckets, door prizes, etc. These in-kind donations kept our expenses low. Special thanks to our sponsors: Abingdon Olive Oil Company and All Aboard Travel!
